### EXPERIENCE

Mar 2008  
- Present

#### Designer | [Freelance](#)

As a freelance designer, I have had the pleasure of interacting with clients to create successful projects including mobile design, user interface design, web design and development, graphic design and logo design.

Feb 2013  
- Jun 2013

#### Product Designer | [NASDAQ OMX](#)

In the day to day, I did design and development for rapid web application prototypes, as well as user testing. Worked in an agile environment with team members internationally located. I left this position for personal reasons.

May 2011  
- Dec 2012

#### Lead Designer, Front End Web Developer | [Reachably](#), [Dtime Inc.](#)

Responsible for look and feel of product, brand messaging, user interface designs, user experience, mobile designs and communication. Front end development of my designs for both the web application and other projects.
